

Hello WMCA Members,

On Tuesday, March 3, I had the distinct honor of welcoming Governor Tony Evers to the Village of Shorewood.

The visit was part of the governor's statewide tour of municipalities, during which he met with local clerks to gain firsthand insight into the election process and discuss how elected officials can best provide support.

After touring the Village Hall, I had a sit-down conversation highlighting Governor Evers with the dedication and work that goes into ensuring every voter has a smooth and accessible experience. The discussion offered a unique opportunity for direct dialogue, collaboration, and a shared commitment to strengthening the integrity and transparency of elections

Northern Clerks Conference—Are You Ready!?!?!?

I hope you all are getting ready for two full days of engaging training, great conversations, and opportunities to connect with fellow clerks! While the conference has a special focus on northern Wisconsin municipalities, all clerks are invited to join the fun and grow together. Back in 2022, 62 clerks registered for this training—this year, I'm thrilled to announce that as of March 4, 144 amazing clerks have already signed up! This is a true testament to the importance of making the Northern Clerks Conference an ongoing, must-attend event.

The Season of IPAV Is Fastly Approaching

As we gear up for In-Person Absentee Voting (IPAV) starting March 24th, and the Spring Election on April 7th, I want to take a moment now to thank and encourage you all for the incredible work you do. Your unwavering commitment ensures that every voter has an accessible, pleasant, smooth and secure voting experience.

Remember to breathe, take it slow, lean on your peeps when you need support, and always know that your attention to detail will result in the positive difference you'll make in the community you serve because when you shine, they'll shine.

To all our newer clerks, I will always be your biggest, and most likely your loudest cheerleader. You've got this every single step of the way and always remember:

You Matter
