

Mentor Application

To A Potential Mentor:

A Mentor is an experienced City, Village, or Town Clerk, who is a member of the Wisconsin Municipal Clerk Association. A mentor will be able to share with a new clerk the experience and knowledge gained through years of service and on whom they can call when they are unsure how to proceed with a task. The Mentoring Committee will match you, whenever possible, with a new clerk from a municipality of similar population, geographic location and similar duties.

If you've been a Municipal Clerk for three or more years and are willing to help a new clerk adjust to the duties of his/her position, please complete and mail in this Mentor Application. Your name will be kept on file for matching with a new clerk from a municipality of similar population and type of duties. When a new clerk match is made, you will be contacted so you can begin to offer your guidance.
