

WMCA On-Line Training Policy

Live On-Line Training

If attending a WMCA Live On-Line Training attendees must keep their cameras turned on and be within sight of the camera for the duration of the meeting to obtain credit hours for certification purposes. Attendees viewing the live Virtual District Meetings that follow these guidelines will have their training recorded in CVENT under their Membership Directory login/Events.

Pre-Recorded Training

If participants are viewing the recorded version of the WMCA On-Line Training posted on the WMCA website, they must complete a signed affidavit and provide the first slide of the presentation or agenda to obtain credit hours for certification purposes.
